

Boulder County 2021

Drainage and Flood Mitigation Projects in Your Area

[Denver, CO, February 2021] Mile High Flood District (MHFD) is partnered with 41 local governments to master plan drainage improvements throughout the Denver Metropolitan area; design, construct, and maintain stream corridors including removal of trash and debris; provide flood warning services, and develop resources related to improving water quality in our streams. MHFD is pleased to inform you about the projects we are planning in 2021 for your county.

Capital Improvement Plan (CIP) Projects:

This program leverages local government dollars to fund stream projects that reduce flood risk and provide community amenities. The 2021 Work Plan includes the following projects for Boulder County:

- Four Mile Canyon Creek Restoration – at 19th Street
- South Boulder Creek – Upstream of HWY 36
- Gregory Canyon Creek – Arapahoe to Pennsylvania
- Coal Creek – County Line to Kenosha Road
- Coal Creek – at Centaur Village
- Coal Creek – 2nd to McCaslin Boulevard
- Boulder Creek – at 95th Street

Wonderland Creek

Stream Maintenance Efforts:

This program helps local governments manage publicly-owned reaches of regional streams. The 2021 Work Plan includes the following efforts for Boulder County:

- Annual Vegetation Management & Debris Removal
- Sediment Removal
- Restoration Projects
- Minor Repairs

Boulder Creek
